Von Trapp- Golden Helles

Our lightest offering, "Helles" is German for "bright." It is golden in color, and is a crisp, easy drinking beer for all occasions, a true session lager. The spicy hop characters are a bit more subdued and in balance with hops. It is our only lager that is filtered. 4.9 % ABV 20 IBU \$5.00

SWITCHBACK ALE

Switchback Ale is unfiltered, reddish-amber ale which is particularly well-balanced, allowing for complexity of flavor coupled with an unusually smooth and refreshing character. Five different malts, select hop varieties, and our own specially cultivated yeast create an ale which leads with hop flavors and a subtle impression of fruit (our yeast's contribution), followed by a palate pleasing malty finish.
